ENVIRONMENTAL ANALYSIS IN TRANSPORTATION
ADC10 COMMITTEE BUSINESS MEETING
TRB 2009 ANNUAL MEETING

WEBSITE SUBCOMMITTEE REPORT

The following are the activities since the 2008 Summer Business Meeting in Denver, CO:

1. Posted the January 2008 Business Meeting Minutes approved at the 2008 Summer Business Meeting.

2. Posted the 2008 Summer Workshop session presentations to the “Conferences” page. Special thanks to the session and tour moderators for their help in obtaining the posting permissions and collecting the presentations for the website.

3. Posted 2009 Annual Meeting registration and session information to the website as it became available

4. Posted the notice for the 2009 Joint Summer Meeting to the website.

5. Updated the website for changes in Members contact information.

6. Continued updating the Home Page with announcements, registrations and preliminary program information for TRB Annual Meeting and ADC10 Summer Workshop. Special thanks to Nancy Bailey at CTE for promptly posting the website updates.

7. Prepared the Committee Poster for the Annual Meeting Environment and Energy Poster Session. Special thanks to Tom Linkous (Chair, ADC30) and Doug Smith for the Denver Summer Meeting images.

8. Commenced updating the Directory of State Transportation Agency and FHWA Environmental Officials. Sent October 2008 letters to State Highway Agency (SHA) Environmental Contacts listed on AASHTOs FHWA Division Office Environmental Staff and State Program Information list. Followed up with December 2008 letters and January 2009 phone calls to non-responsive SHAs. Special thanks to Amy Phillips at BNA Publications for providing the link to the AASHTO list and to Dave Grachen for providing the FHWA information.

Future Efforts
- Keep the website updated with current events/news
- Maintain the listserv
- Continue posting ADC10 business meeting minutes as they are approved
- Continue collecting session and presentation materials at the TRB Annual Meetings and ADC10 Summer Workshops and making the information available from the “Conferences” web page.
- Continue posting Subcommittee Goals and Objectives as they are reviewed and approved
- Complete the update and post the ADC10 Directory of State Transportation Agency and FHWA Environmental Officials on the website
- Post links and information of interest to the Committee (e.g. AASHTO research) on the website
- Add a new “History” page to the website and post information as it becomes available from the History Subcommittee (Pat Trombly, Chair). Members and Friends.

Please submit any suggestions for improving the website to cgesing@mbakercorp.com.
